Trial Run Appointments

We recommend a trial run to be scheduled 6 to 12 weeks prior to your wedding day. Please bring all accessories you will be wearing on your wedding day, such as your veil, hair jewelry etc. You should arrive with clean dry hair and a fresh lightly moisturized face (if having a trial make-up appointment). If you have any favorite make-up items please feel free to bring them however, we do have a full selection of professional Glo Skin Beauty products. The cost of your trial is \$180.00 (Hair & Makeup, lashes not included in price) is not included in any day of cost.

A trial gives you a sense of knowing everything will be just the way you envisioned it for your big day. A trial is highly recommended. We have found the trial not only puts the bride at ease but also makes time run much smoother on the wedding day. It also allows us to account for what your hair will do in respect to the style you have chosen, so if adjustments need to be made we can do them ahead of time. Please call to reserve your trial ahead of time so we can ensure that you will be with the same stylist as on your wedding day.
