 - Fill-in/adjustment as needed

Maintenance Re-Installation – Starting at \$150

Within 4 weeks of initial install

Includes:

- Removal of previously installed extensions
- Shampoo service
- Blow dry
- Re-installation/maintenance of new V-Light extensions
- Blending & Styling

Please Note:

V-Light Extension pricing reflects a starting investment and may vary based on desired fullness, length, density, and customization. A personalized consultation is required for all new extension guests to assess hair integrity, discuss realistic expectations, and ensure the most seamless, natural-looking result. Please note that results may vary, and not all hair types or lifestyles are ideal candidates for V-Light Extensions.
